

A 50th Celebration To Be Remembered for Years to Come

Judging by the smiling faces in the photos below, we can surely say the event will be remembered for years to come and it was well worth the trip out to the Hawaii Okinawa Center for HFFA's 50th Anniversary Celebration on Sept. 21, 2014.

In attendance were IAFF General President Harold A. Schaitberger, 10th District VP Jim Ferguson, a contingent of California Professional Firefighters (CPF) and United Firefighters of Los Angeles County (UFLAC) members, HFFA members, their families and friends.

Honorees Mogul Crabbe and Sandy Takehara were draped in leis by those who came to wish them well. Sandy

was surprised -- she didn't realize she was an honoree until she arrived!

We have many to thank for helping to make the event a success:
